Mission Statement

Au Jus Toastmasters provides a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

Our Au Jus meeting last month was excellent with our Keynote Speaker from Westlake, CA, giving us a treat of *"Leadership: Lessons Learned From His Father"*. It was an excellent presentation!

With that said, you may do not want to miss this month's meeting, because our Keynote Presenter is: Kamalika Roy, CC. She belongs to Amgen Noon Talkers and Simi Valley

Toastmasters. **See Flyer!**

Meeting date:

once a month, on
fourth Saturday every
month

Meet, Greet & Order Dinner:
6:30PM

This month we meet at:

**Guests of all levels are
always welcome!**

Au Jus serves advanced
Toastmasters in Ventura and Los
Angeles Counties. Toastmasters
who have at least a CC designation
qualify for membership

**Join the premier Advanced
Club in District 33 – Au Jus
Toastmasters!**

As a dual member, you will speak in
real-life venues: restaurants from
across Ventura County to San
Fernando Valley and Simi Valley.
Once a month on a Saturday evening,
join fellow Toastmasters for a relaxed
dinner, good wine (optional), good
conversation, and strong speakers.

Au Jus brings in outside keynote
speakers to inform us and entertain
us, but also encourages its members
to give keynote speeches. A great
place to practice speaking after dinner!

Here is the place to hone your

Kamalika Roy, CC

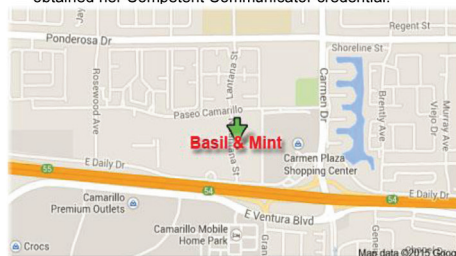

Kamalika Roy was born in India. Since then she has lived
and worked in many countries.

Kamalika has obtained Master's degree in Political Science,
International Relations and Business administration. She
joined the Biotechnology Company Amgen, in 2003, and has
been with them ever since. She works in the Mergers &
Acquisitions area.

Kamalika and her husband live in Simi Valley. They love to
travel and visit new places. They always take a food tour
when they go to a new place, since they believe "the best
way to know people and places, is through the local cuisine".
On their wish list is a visit to every state within the US.

Kamalika loves to ride her bike, hike the great outdoors, work
in her garden, and try out recipes from different parts of the
world. She has been a Toastmaster since Jan 2013 and has
obtained her Competent Communicator credential.
