In the month of July, Au Jus Toastmasters met at Basil and Mint in Camarillo. Au Jus is an advanced club where members can hone their skills of public speaking and leadership. Some members are working towards becoming professional speakers, and some members are trying to improve within themselves even more in their personal and professional lives. Some members also have a goal of competing at the District level and winning some day.

We all have different goals which is great, because with an advanced club, we can tailor to everyone!

Au Jus Toastmasters has a different Keynote speaker every month and last month it was Tim Wallace, who competed at the Division B International Contest last year and took 2nd place. He was such an inspirational speaker, that we are asking him back in August to continue on with his speech and give us more pointers.

A little bit about Tim is he is a Competent Communicator and an active duty member of the United States Navy who has dedicated most of his life to public service. Utilizing both the leadership and teambuilding skills he's developed in the military, with the life lessons he gained overcoming the adversity he faced throughout his childhood. Mr. Wallace delivers speeches that will make you laugh, cry, and want to change your life for the better.

Title of speech: **"Mastering The Greatness Within Part II"**

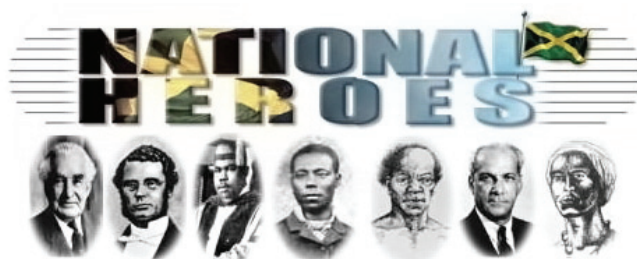

Our winners from last month are:

Best Table Topics: Wayne Sebera, DTM

Best Evaluator: Jim Barroca, ATMB

Best Speaker: Hank Johnsen, DTM
