Welcome

Mission

The mission of our Au Jus Toastmasters club is to provide a mutually supportive and positive learning environment in which every individual member has the opportunity to develop oral communication and leadership skills, which in turn foster self-confidence and personal growth.

Vision

Au Jus Toastmasters empowers people to achieve their full potential and realize their dreams. Through our member clubs, people throughout the world can improve their communication and leadership skills, and find the courage to change.

Values

Au Jus Toastmasters' core values are integrity, dedication to excellence, service to the member, and respect for the individual. These are values worthy of a great organization, and we believe we should incorporate them as anchor points in every decision we make. Our core values provide us with a means of not only guiding but also evaluating our operations, our planning, and our vision for the future.

This club meets once a month, on the last Saturday of every month. This club started back on 05/07/2002. This club meets in various locations throughout Ventura County.

On May 7, 2002, Keith Hanson, Les Studer and Jim Barroca were the founders of Au Jus Toastmasters. They wanted to start an advanced Toastmasters club, where Toastmasters could share the fine dining of Ventura County. This club has many members who have been Area Governors, as well as Past Division Governors, and even a Past International Director. Au Jus even has a member who has competed at the Region Level of the International Speech contest. Au Jus Toastmasters is a place where advanced Toastmasters can hone and "raise the bar" on there speaking skills.

Toastmaster roles include; Table Topics Master, General Evaluator, Speakers, Evaluators, Ah! Counter, Grammarian. If the Toastmaster knows of newer roles, he/she may even use those roles to introduce the roles to the club, such as: Radar Person.
